# VANTAGE at a Glance

Event-planning requires foresight, follow-through and attention to detail. You need to see the big picture as well as the tiniest of details. You need a View Point, which is why we started Vantage. We wanted to create a company with the experience, skills and knowledge to help any event, no matter how large or how small, to fulfill its ultimate potential. We can help fledgling events get off the ground and existing events soar. We're flexible, fast, responsive and reliable. And we always bring a fresh perspective. No matter what stage of the planning you're in, we'd like to have the opportunity to help you make your event the best it can be!

## What is MUN?

United Nations UN is an international organization which works to achieve world peace and mutual collaboration. Model United Nations (MUN) is an activity held in schools and colleges all around the world, where simulates the real united nations. An MUN is the simulation of international committees and inter governmental panels wherein national and international issues are tackled and talked about by students each of whom represents a country in the conference. MUN helps student develop their verbal and written English. It also improves debating, public speaking and problem solving skills. MUN conferences raise the youths awareness of global problems and introduce them to people from different background. MUN works in the official language of the UN which is English. Every participant is called the delegate or the leader of delegation is called an ambassador. In conferences, delegates are separated into different committees in the research important world problems with other delegates. They find solutions to these problems and make recommendations to UN with a view of achieving peace and stability and creating a better world for future.
